Hubbard Sports is back!

We had a great time in the fall and look forward to a fun spring.

Our Programs:

Sports & Fun - All Ages

Learn the fundamentals of sports in a fun, supportive environment. A great way to encourage your child to learn a new sport or develop their existing skills.

Friday Fun Day - Noon Dismissal, All Ages

Spend the afternoon playing games, sports & activities! Tons of fun, laughter & energy.

Our Focus:

To provide excellent coaching in a variety of sports.

Our Goal:

To teach every student according to their ability while making after school activities fun and rewarding. To lay the groundwork for a lifetime of physical fitness.

From the Director:

Ann Marie (Hubbard) Sunderhaus (STA '91)

"I am so excited to be a part of the STA after school program, to teach kids the basics of physical fitness in a variety of sports. The programs we provide are geared to all children. You do not have to be an athlete or a competitor to participate."
